👤 Male

## Profile

---

Seeking career in growth-oriented organization, utilizing my Agricultural Engineering education, internship experience, and skills to contribute to overall growth through technical expertise, management, and team-oriented mindset.

## Professional Experience

---

2023/08 – present  
Rajkot, Gujarat

### Industrial Internship

*Captain Tractors Pvt. Ltd*

**Captain Tractors Pvt Ltd**, a renowned manufacturer specializing in mini tractors. Eager to bridge the gap between theoretical knowledge and practical application, I am excited to delve into the world of manufacturing processes, various assembly, and quality control, and production. As an intern, I am committed and exposed to absorbing invaluable hands-on experience, and I learnt about the various steps included in manufacturing of tractors and assemblies all while immersing myself in the dynamic environment at Captain Tractors.

2023/10 – present  
New Delhi, India

### Managed Network Expert!

*Chegg India Pvt. Ltd*

- Remote job

Where my focus would be to help students resolve their subject doubts regarding finance. **I will be solving only Q/A.**

2022/02 – 2022/02  
Hisar, India

### Training

*Northern Region Farm Machinery Training and Testing Institute, Hisar.*

Training on Study, Select, Operations, Maintenance, Trouble shooting. Repairs of Tractor and agricultural Implements, I.C Engine, Irrigation Pump and plant protection Equipment.

2021/06  
Bangalore

### Marketing Intern

*IFortis Corporate*

This was a traineeship opportunity where company stated that "You'll be representing our organization and functioning based on our requirements." Although I didn't complete this traineeship.

## Education

---

2020/11 – present  
Meerut, India

### Bachelor of Technology in Agricultural Engineering

*Sardar Vallabhbhai Patel University of agriculture and technology*

Relevant courses: Basic Engineering, Principles of Soil Science, Soil and Water Conservation Engineering, Irrigation and Drainage Engineering, Farm Machinery and Power Engineering, Renewable Energy Engineering, Engineering physics, chemistry mathematics. Fluid mechanics, Heat and mass transfer, machine design.

7.709 CGPA

2019 – 2020  
Basti, India

### Intermediate

*Jawahar Lal Nehru kisan Inter College*

74.6%

2018  
Basti, India

**High School**  
*Little Flower High School*  
78.6%
