AIR CONDITIONING AND REFRIGERATION JOURNAL
The magazine of the Indian Society of Heating, Refrigerating and Air Conditioning Engineers
COLD CHAIN

Air Conditioning and Refrigeration Journal (AC&R Journal), the official magazine of the Indian Society of Heating, Refrigerating and Air Conditioning Engineers – ISHRAE founded in 1982 – is reputed for being the most respected and credible source of original and authoritative technical application-oriented articles on HVAC&R written by the experts. **AC&R Journal** is published by the ISHRAE Mumbai Chapter since 1998 and it typically features a collection of select technical articles besides also covering a wide range of news and industry information; New Products, Industry News and Updates, Green Building Movement Update, Views & Opinions, People Movements, Events & Shows, International News, Student Corner, Interviews, Classroom - series of learning subjects for established and young engineers alike, New Literature review etc.

In 2010, **COLD CHAIN** was started as a regular supplementary magazine focused on the most promising and fastest-growing industry segment. It is published and circulated along with **AC&R Journal**.

PUBLICATIONS:

AC&R Journal is published 6 times in a year with **COLD CHAIN** as a **Supplementary** magazine in 4 of 6 issues. Special issues do not have Cold Chain as supplement and their content is exclusively focused and does not include the regular News sections.

Special Topical issues: JAN issue (ACREX Special) and OCT issue (Research-based Special).

COLD CHAIN is a focused publication containing an interesting mix of authored technical application-oriented articles, news, events and industry updates, a regular update by the CII-National Cold-Chain Task Force and IIAR, international news, updates on government initiatives for industry growth, educational and technical tidbits, etc. on Refrigeration, Food Preservation, Cold Chain Logistics aspects, Specialised/Critical Refrigeration/Cooling, etc.

(For quick reference, see “Schedules, Deadlines, Release Dates” on page 4)

CIRCULATION:

AC&R Journal is published 6 times in a year (however, it is not a Bi-monthly. See page 4 for exact ‘Schedule’) and circulated within the ISHRAE fraternity all over India to members of ISHRAE Chapters located at 41 cities in India. Members of the Chapters are spread throughout India. Most engineering colleges in India have an active ISHRAE Student Chapter. Circulation to members depends on active membership which currently stands at around 9,864 copies. Advertisers receive voucher copies and together with Authors and Complimentary copies’ list, the total print circulation is **10,164 copies***. Additionally, the **digital version (e-Journal)** of **AC&R Journal** is uploaded in the members section on www.ISHRAE.in for ease-of-access. Moreover, as of March 2018, a total of **10,634 Student Members** are active at **166 Student Chapters** across India. Such active Student members can view the digital version - **e-Journal** - via the exclusive Student website of ISHRAE.

REACH: National – across India

Approximate Geographic Zone-wise % distribution (based on data*).

*March 2018

READERSHIP: Upto 3 readers per printed copy

Members are HVAC&R Professionals (engineers) based in India – and a few overseas. These individuals are active members of ISHRAE and receive a printed copy of the **AC&R Journal**. They are in their own capacities at HVAC&R companies active in Consulting, Designing, Contracting, OEMs, Installation & Commissioning, Service & Maintenance, MEP, etc and various **User groups** such as Airports, Malls, Supermarkets, Power Plants, Hospitals, Educational Institutions, Corporate Campuses/Parks, MRTS facilities, Pharmaceutical cos, Cleanrooms, Dairy cos, Farm-to-Fork cos, Cold Chain, Marine cold stores, Coldrooms and Warehouses, Controlled Atmosphere Coldrooms, Ripening Chambers, Refrigerated Transport, Critical Cooling & Ventilation sites (Nuclear Reactors, Power Plants), ISRO, Telecom Shelters, Data Centers, Manufacturing sector, Residential Townships, Construction Cos, SEZs, etc.

Readers – Members of ISHRAE – are spread across India. Steadily growing with every issue.

DISTRIBUTION:

Each printed issue is promptly delivered to Members through BlueDart Express and EMS SpeedPost service for assured and trackable delivery.

ADVERTISER BASE: International. Across all relevant segments of the HVACR & COLD CHAIN Industry

AC&R Journal is undoubtedly the;

- most credible and respected publication for the Indian HVAC&R industry; owing to its original application-oriented technical articles written by the experts in HVAC&R industry worldwide
- most widely read by the people who really matter; assured circulation to active ISHRAE Membership refreshed every issue
