

## Message from ISHRAE National President

Dear ISHRAE Members,

Greetings!

I would like to express my gratitude to all ISHRAE members for electing me to serve as President for the Society Year 2022-23. I thank you for reposing your faith and trust in me &

I promise to strive hard and serve the best interests of our members, society & humanity at large.

I am a Mechanical Engineer with MTech from IIT Kanpur, & a certified Energy Auditor from BEE with over 40 years of experience in the HVAC&R Industry both in India & overseas. I serve as the Chief Consultant in our firm, "Genex Consultants", Hyderabad. We are into design, planning & consultancy of HVAC&R projects and cover the entire gamut of Building Services. This experience & expertise will be put to best use in the service of our Society.

During my term I have pledged to place greater emphasis on Environmental protection which has become a global concern & ISHRAE as a responsible Society will play a significant role in transition to green & clean Energy, and promote use of zero ODS low GWP Refrigerants.

In keeping with this vision, the theme for this year is "**Prithvi Paryavaran Parivartan**" which translates to "**Earth, Environment and Transformation**".

To achieve this objective, we shall strengthen our efforts in Technical areas that focus on environment and closely work with International & National societies engaged in similar activities and the industry captains for more practical solutions. We look forward to closer association with United Nations Environment Program (UNEP) in the years ahead.

With return to near normalcy after the easing of the pandemic, we will have more in-person meetings to exchange ideas, formulate action plans & take appropriate measures to execute the same.

To achieve all this, I need your help & support and sincerely request all my dear ISHRAE members to come forward and participate in all ISHRAE activities.

Best Regards,

**N.S. CHANDRASEKAR**  
National President- ISHRAE

**PRITHVI**  
(Earth)

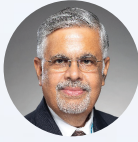

**PARYAVARAN**  
(Environment)

**PARIVARTAN**  
(Transformation)

# TEAM ISHRAE 2022 - 23
